August Auction Results

The number of properties offered for auction in September are back on numbers than previous months, however the overall success rate was once again reasonably strong depending on the property and the location.

There have been a number of reported private sales that have taken place for the month. **Clayton Smith of Elders Goondiwindi** reports of having several sales negotiated privately. **Chris Todd of Colliers Brisbane** reports that he and **Bill Cooper of Western Livestock** have successfully sold **Mallawa** at Moranbah for \$8m for the 11,484 hectare property. **Danny Bukowski of Ray White at Beaudesert** whilst not rural reports of a successful auction of industrial land at Beaudesert with the 2002m2 block selling at auction for \$600,000. Further west **Brendan Devine of Elders St George** has also been busy with the private sales of **Venture & Boxwood, Kurrajong and Moonie Ponds** all under contract.
